Re: Four Corners Project Funding

Dear Governor Babbitt:

The Salt River Pima-Maricopa Indian Community hereby submits the enclosed application for a Four Corners Regional Commission Technical Assistance Grant of \$56,000 for the Movable Ferrous Metal Recovery System, Recycling Project.

This project if funded would provide the first recycling operation on a regional basis in the State of Arizona. It is our hope that FCRC can provide the needed \$56,000 to our Salt River Indian Community so that this project can become a reality.

Sincerely,
